

Rules

We want to create a new community on our servers. Everyone should have fun on the servers. This requires a few rules.

Ignorance is no excuse!

I. Play

- ① Release players is optional.
- ② The killing of players by a random shot is forbidden.
- ③ Waiting a long time until a player comes is prohibited.

Note: The killing of players is not a rule violation if...

- they write something in the chat.
- they are absent.
- they are just spawned.

II. Chat

- ① Spam and Insults are strictly forbidden. This includes implied or censored insults.
- ② The constant writing in capital letters is forbidden.
- ③ Customs Adverse and right-wing content and comments are strictly forbidden on our server.

III. Cheating/Hacking

- ① Cheating/Hacking is strictly forbidden!
- ② Client mods are allowed only with the consent of the admins.

IV. Votes

- ① Please do the admins previously aware that a player breaking the rules before you start a vote against him.
- ② Please start a vote in English.
- ③ It's unwanted to start a map vote while a player is green.
- ④ It's forbidden to start a vote for fun against a player (especially players that are at winning).

Noticed: A failed vote is not automatically a fun vote.

V. Final Determination

- ① Team members reserve the right to punish behavior of players, even if they are not explicitly listed in the server rules.
- ② All rules can change in the course of the game.
Rule changes resulting from actions of the players.

Penalties may be adjusted to the discretion of a team member and the severity of the offense. Also not listed offenses are punished and introduced into the server rules.
